

Newton St Cyres Community Shop Survey

This short survey is to understand the views of the Newton St Cyres Community regarding the interest in establishing a community shop in the village. Once completed and returned the results will be analysed and discussed by a Steering Group who will formally present the results to the community. If it is agreed to proceed then a Newton St Cyres Community Trust / Charity will be formed to progress the project, locate a site, secure grants, raise funds etc.

Please do consult and speak to ALL the members of your household and answer on their behalf. The survey may be quickly completed online by typing the URL below into your browser.

Alternatively please complete this paper questionnaire and return the completed form to your pamphleteer or drop into one of the boxes located inside The Belluno Italian Restaurant or The Beer Engine Public House

If after completing this survey you wish to be kept informed of the project progress, or at some time in the future possibly take a more active role then please also provide your personal details at the end of the form. You can be assured that your personal information will be stored securely and never revealed to a third party with first receiving your express Permission. THANK YOU
